DEPARTMENT OF DEFENSE**Office of the Secretary****List of Institutions of Higher Education Ineligible for Federal Funds**

AGENCY: Department of Defense.

ACTION: Notice.

SUMMARY: This document is published to identify institutions of higher education that are ineligible for contracts and grants by reason of a determination by the Secretary of Defense that the institution prevents military recruiter access to the campus or students or maintains a policy against ROTC. It also implements the requirements set forth in the Omnibus Consolidated Appropriations Act of 1997 and 32 CFR Part 216. The

institutions of higher education so identified are:

Washington College of Law of American University, Washington, DC
Willamette University College of Law, Salem, Oregon
William Mitchell College of Law, St. Paul, Minnesota

Recently, officials from the following institutions of higher education reported modifications to school policies sufficient to merit removal from the list of ineligible schools.

University of Oregon School of Law, Eugene, Oregon
St. Mary's University School of Law, San Antonio, Texas

The Omnibus Consolidated Appropriations Act of 1997 provides that schools prohibited by state laws or court rulings from providing the requisite degree of access for ROTC or military recruiting would not be denied funding prior to one year following the effective date of that law (i.e., not until March 29, 1998). However, that provision applies only to funds from agencies other than the Department of Defense, which is bound by provisions of the National Defense Authorization Acts for Fiscal Years 1995 and 1996. Therefore, the Secretary of Defense has determined that the following institutions of higher education prevent recruiter access to campuses, students, or student information and are ineligible for DoD contracts and grants.

SUPPLEMENTARY INFORMATION: On April 8, 1997 (62 FR 16694), the Department of Defense published 32 CFR part 216 as an interim rule. This rule and the Omnibus Consolidated Appropriations Act of 1997, requires the Department of Defense semi-annually to publish a list of the institutions of higher education ineligible for Federal funds. 32 CFR part 216 and the Secretary of Defense under 108 Stat. 2663, 10 U.S.C. 983, and 110 Stat. 3009 and/or this part identifies institutions of higher education that have a policy or practice that either prohibits, or in effect prevents, the Secretary of Defense from obtaining, for military recruiting purposes, entry to campus, access to students on campuses, access to directory information on students or that has an anti-ROTC policy. On August 28, 1997 (62 FR 45631), the Department of Defense published a list of the institutions of higher education ineligible for Federal Funding; this listing updates and supersedes that listing.
